- Each session is crafted to analyze real challenges you will face with clients, enabling you to design targeted strategies and tailor portfolios to their specific needs.

COMPREHENSIVE MENTORSHIP

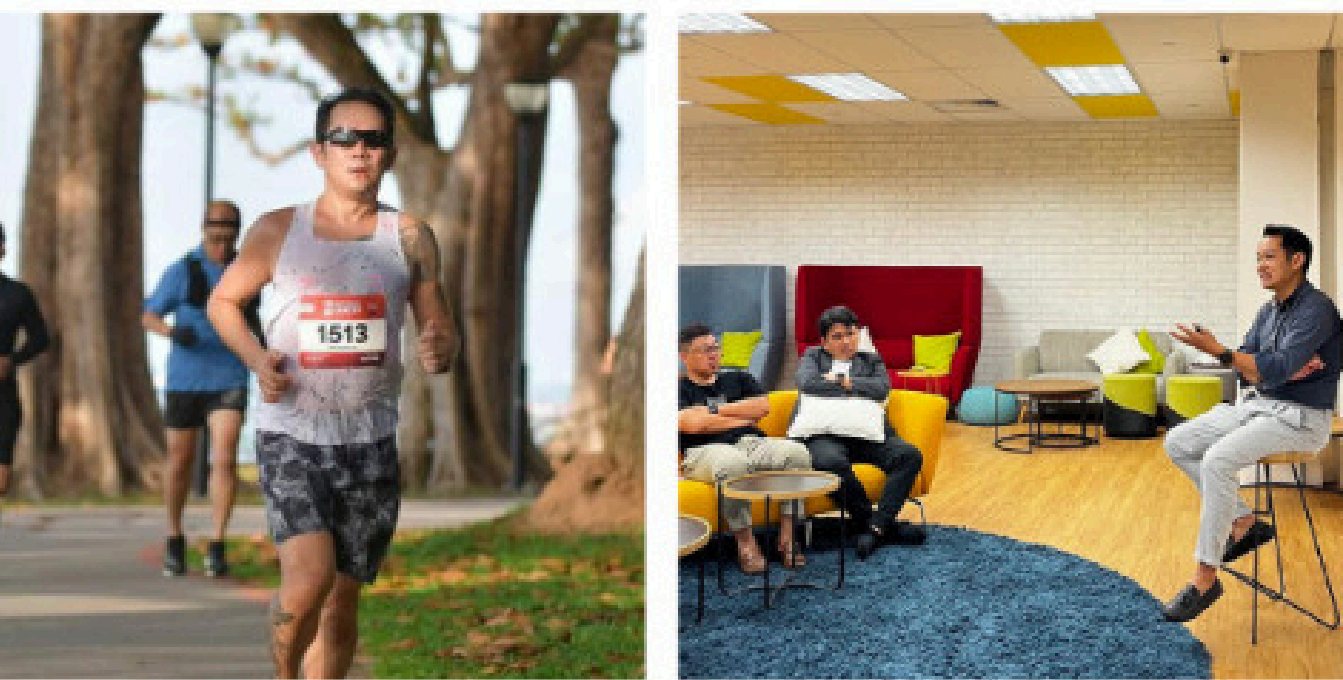

- Totaling 33-hours of hands-on learning.
- Gain practical, actionable insights for managing and recommending ILPs effectively
- Develop strategies to help address client-specific concerns, ensuring their wealth creation and protection goals are met.

TRAINER PROFILE BENJAMIN NG

Benjamin is a seasoned professional with a diverse career spanning financial services, investment management, and personal development. Transitioning from a commando to the financial sector, he quickly rose to leadership roles while earning several certifications.

Before making this transition, Benjamin excelled as an offshore senior relationship manager, overseeing clients with over \$1 million in investable assets. A passionate runner from a young age, he has competed nationally and views running as a symbol of perseverance and character building.

At Aquila Ascension Academy, Benjamin specializes in investment training and leverages his Enneagram coaching expertise to empower individuals to grow and unlock their potential. He is also deeply committed to community service, guided by his philosophy of servant leadership, which emphasizes making a meaningful and lasting impact.
